

OCCLUSION MYOCARDIAL INFARCTION

The Series

OCTOBER 28, 2025

6:30 PM - 8:00 PM

WATERVILLE FIRE DEPARTMENT E.O.C
7 COLLEGE AVE., WATERVILLE

MD-3 and Fairfield Benton Emergency Services are excited to offer a free training series on the new Occlusion Myocardial Infarction criteria for recognizing myocardial infarction. Join us for a progressive, multi-week clinical deep dive hosted by MD-3 Physicians.

Highlights

Where Did STEMI Fail? ◀

Examine STEMI criteria limitations and why new approaches are critical.

New OMI Criteria ◀

Understand updated OMI criteria for improved myocardial infarction recognition.

Clinical Deep Dive: Advanced ECG ◀

Explore Smith's – modified Sgarbossa Criteria, Brugada, Wellen's, De Winter's sign, and more
